

PRESCHOOL FOR ALL NEWSLETTER

APRIL 2025

It is hard to believe but we are in the final stretch of the school year. These next two months will certainly be busy!

CLASSROOM HAPPENINGS

In March, we spent the first week reading several Suzanne Lang books, which were featured for Reading Night. The children loved listening to the different Grumpy Monkey stories. We also worked on our St. Patrick's Day theme in March. We went on a gold hunt around the classroom and found different letters hidden on each piece of gold. We even had a visit from a leprechaun, who left a big mess in our classroom! We also introduced our Spring theme last month. We made a rainbow using Skittles and water - the children were so excited to watch the rainbow form! We also made tissue paper rainbows to brighten our walls!

This month we began working on our new study, Insects. We will begin talking about what the students know about insects. We will be looking at the questions "What are the characteristics of insects?", "Where do insects live?" and "What insects are in our community?". We will also continue talking about our spring theme and we will go on a letter egg hunt and practice counting eggs.

FIELD TRIPS

We are excited to be able to end the year with a couple fun events. Our first event will be our field trip on Tuesday, April 8 to see Peter Pan at the Beverly Arts Center. Students and chaperones will meet in front of school at 9:30 and we will return at approximately 12:00. Students who are driving to the field trip will meet in the lobby by 10:15. We look forward to seeing this engaging production of Peter Pan!

Our second event will be our final field trip to Brookfield Zoo on Monday, May 12. All students will attend school from 9:00AM-1:00PM. This is always a great trip. Parents and younger siblings are strongly encouraged to join us for this fun day! More details will be sent home later in the month regarding that trip.

REMOTE LEARNING DAY

Tuesday, April 22 will be a remote learning day for the Preschool For All Screenings due to the Preschool Screenings. Activities will be posted on Seesaw at 8:00AM that morning. Attendance will be counted based on completion of activities. The screening is for new students only - current students do not need to attend!
