Subject: **FOIA REQUEST #5** March 25, 2025_Financial Records Data (5 ILCS 140/2.5)_ROE Grouping - 07

Dear Superintendent,

This request is submitted for non-commercial purposes under the Illinois Freedom of Information Act (5 ILCS 140). It is similar to FOIA #1, FOIA #2, FOIA #3 and FOIA #4, but seeks financial data for different fiscal years. Please refer to FOIA #1 for detailed instructions on handling this request, including the format for the data and the structured communication practice.

REQUEST #5: FY2022, FY2012, FY2002

We are requesting the actual electronic data maintained by the district's Treasurer for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years **2022, 2012, and 2002** by the school district, including any predecessor districts that existed at the end of each respective fiscal year and have since consolidated or annexed into the current district. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

For convenience and organization, we suggest adding the data for fiscal years **2022, 2012, and 2002** as additional worksheet tabs to the Excel workbook delivered to us in response to FOIA #1 (containing FY, 2024, FY2014, and FY2004). This would result in a single Excel workbook containing multiple "annual" tabs, organizing all responses to date in one file. If this is not feasible, please provide the data for fiscal years **2022, 2012, and 2002** in a separate Excel workbook following the same format as specified in FOIA #1.

We request that each district's Treasurer certify the electronically maintained data. The certification should be similar to the one requested in FOIA #1, stating that the records are true, correct, and complete copies of all relevant records found in the files of the Office of the School Treasurer, official custodian of all district money as well as all investments owned by the district. This certification should cover the data for fiscal years **2022, 2012, and 2002**.

We request a waiver of any applicable copying or processing fees, as this request serves the public interest by promoting transparency and accountability in the use of public funds.

Please add our email address, **ad.cuius.bonum@proton.me**, to your contact lists to prevent future communications from being flagged as spam.

Under the Illinois Freedom of Information Act, all records in the custody or possession of a public body are presumed to be open to inspection or copying, unless the public body can prove by clear and convincing evidence that the records are exempt from disclosure (5 ILCS 140/1.2). We expect a timely response and adherence to the statutory requirements.

The 5-day due date for this request is: **Tuesday, April 1, 2025**.

Thank you for your immediate attention to this public records request.
